PROVIDENCIA, 23 AGO 2016

DE: ALCALDESA MUNICIPALIDAD DE PROVIDENCIA

A: SR. MATÍAS RAMÍREZ URETA

En respuesta a su solicitud recibida por esta Municipalidad con fecha 25 de Julio de 2016, donde requiere "...información acerca de todos los restaurantes y centros de comida que estén dentro de la comuna de providencia, la información que necesitamos es su: ubicación, sector dentro de la comuna, representante, con su respectivo mail, número de teléfono para poder contactarlos, y su ingreso dentro del último mes.", adjunto remito a Ud. listado en formato Excel de todas las Patentes Municipales asociadas al Giro de Restaurant, tanto las con patente Comercial como las con patente de Alcohol. Se hace presente que no se registran patentes como Centros de Comida.

El listado de Restaurant Comercial incluye Rol de patente, Razón Social, la Dirección del Negocio, Nombre del Representante Legal, Sector Ubicación y Actividad.

El listado de Restaurant con Venta de Alcohol incluye el Rol de Patente, Razón Social, Dirección del Negocio, Unidad Vecinal, Nombre del Representante Legal, Sector Ubicación y actividad.

Cabe mencionar que según lo estipulado en la Ley N°19925 Sobre Expendio y Consumo de Bebidas Alcohólicas, un local para expender alcohol requiere de una patente de alcoholes diurno-nocturno y además otra comercial. Por lo que un local comercial puede contar con tres patentes para un mismo contribuyente.

El Municipio no cuenta con información respecto a los ingresos del mes de los contribuyentes ni los mails y teléfonos de contacto.

De no encontrarse conforme con la respuesta precedente, en contra de esta decisión Ud. podrá interponer amparo a su derecho de acceso a la Información ante el Consejo para la Transparencia, en el plazo de 15 días hábiles contados desde la notificación de este Oficio.-

Saluda Atentamente a Ud.,

JOSEFA ERRAZURIZ GUILISASTI
